Pole Position by President Bobbi Treen

Here we are with the YEAR- 2018 almost gone – and there is plenty left to do.... The clock keeps ticking, no matter how fast or slow we move towards our daily and future goals, 'at the end of the day' there was 24 hours. Each of us has a different way of spending those precious hours, your daily present. Make your time together with friends and family count and be grateful for your present and for your tomorrow.

If you are the "online shopping and gift giving type member," SmileAmazon.com provides a donation for your qualifying purchases (which is almost everything), to non-profit charities. IT is a great way to support our BMW CCA Foundation every day, all year long – keeps giving for you. There is more information within The Flasher on setting up your charity selection when you shop at Amazon. The words/logo "eligible for SmileAmazon donation" will appear within the item description and on your shopping cart page.

And speaking of shopping for the holidays – You can do this any day of the year or for any occasion. The Foundation's store is online at: www.bmwccafoundation.org. They have several unique gifts – auto-graphed posters, prints; model cars, books, etc. Clothing is available with the Foundation logo or TRSS logo, and plenty of T-shirts with many different designs available, like "Too Hip to Be Square!" Our National website – www.bmwcca.org online store – shop till you drop. Merchandise from Oktoberfest, Legends of the Autobahn, etc. coffee mugs, watches, event posters, BMW Team racing, clothing and even for the Future BMW drivers. The National Office has recently re-vamped their website – to include a better online shopping experience. Every now and again, both the National office and the Foundation send an e-mail to announce not only Sale Events, but NEW products. Do not be shy.

MY FIRST BMW. Don't forget to send us your story about your first BMW. Rick Gilbert did and SO can you! We need your input for the newsletter – send us your pictures and articles. Don't be afraid.

And for those that have interest in our membership numbers: We welcome our members and thank all of you for joining and renewing your membership. Everglades Chapter membership, as of Oct 31, is at 1,510 – (with 207 Associates). We did have 21 members lapse and 39 new members, along with the renewal of 57 members. It certainly looks like the new three-year membership marketing plan is working. There is a membership contest going on (or on-going); visit the national website (www.bmwcca.org) for details and the GREAT prizes YOU could win. Have the new member joining include your name and number as referral.

We were attempting to schedule two more TRSS in the Miami area before the end of the year, but time is up – the clock keeps ticking. It did not happen. We tried and put in many hours to make it happen, but 'stuff' overruled and now we have to say, "next year."

Mark and Maria Forbes recently attended the DEC Congress (Rennie Bryant had a scheduling conflict) in Dallas. I appreciate the two of them taking time to attend the congress and returning with more knowledge about Driving Events, tours, TRSS and the paperwork that goes with it. Margaret Mitchell attended, (as she has for several years) as a steward for the BMW Club Racing Steward Congress. The Congresses are a valuable asset to all of the Chapter's leadership. Currently, we do not know if, or when, the next one is or what is in store for 2019, or 2020....

Ft. Lauderdale monthly social meeting are currently at the Old Heidelberg restaurant – on the FIRST Tuesday of the month – Next one is February 5th. (January meeting falls on New Year's Day). West Palm Beach monthly social meeting is the THIRD Tuesday of the Month – NEW Location - The Red Lobster on Palm Beach Lakes Boulevard. The rooms are generally ready by 7PM and meeting is 7:30pm-ish. We do hope you can make it to one of the monthly social meetings. Our e-mail blasts via Constant Contact will keep you informed (so please do not unsubscribe us!).

We are hosting two holiday parties (picnic) this year. One in the south area, November 17 and one in the north area, December 1 – WE hope to see you at one of these events.

We wish each of you, and your families a very blessed Thanksgiving, Happy Holidays and the best of everything for 2019.

Safe Travels. Bobbi Treen

My First BMW by Rick Gilbert

If anyone has followed my 2013 M6 saga, I can now report that after 15 days at Braman, and 35 new seals and gaskets she is ready to roll. I then sought an extended warranty but was told by Easycare and Auto-Pom that they would not warrant an M6. USAA was my first choice (backed by Assurant) but they have cancelled the service (a call revealed it is being retooled).

With the warranty expired (a good six year run), and worries about future repairs, I traded her in on a one owner, clean Carfax, 2016 M4 convertible. My new to me M4 is Metallic White over full Sakhir Orange. No competition package, but otherwise a well optioned car with full leather, adaptive suspension, blind spot monitoring and the Executive Package.

She has 26k miles and a good 14 months left on the factory warranty. Like my M6, I will extend that for another two or three years through BMW (top tip, if you can buy out of state you can save about \$250 plus some states do not charge sales tax on warranties).

Photo by MJ Posner

I was debating whether to pay the \$700 to transfer the maintenance plan. Car shows no service needs, but that is easily reset and I plan on

(Continued on page 6)

I have been asked to write about our first BMW. As close as I can figure, I bought the silver with red interior 5-speed '88 E28 in 1999. I found this girl at a Salvation Army auction in Ft. Lauderdale. I can't remember exactly what I paid, but I think it was around \$600.00.

She did not start so I dragged a new battery to her and she came to life. She got a new coat of paint, upgraded wheels and somewhere along the line, a new clutch. Electrical gremlins haunted me her whole life and no matter what I did, her air-conditioning never really worked well.

I nevertheless was smitten with her. We had about a six-year relationship. If you don't want to be seduced by her, look away.

an immediate oil change. I spoke with my Braman Service Rep and he said the 30k spark plug change was \$1,700. With that plus a 30k brake fluid service and an oil change, the \$700 transfer fee on the maintenance was a no brainer.

I will do some mods in the future, upgrading the stereo, some carbon fiber trim (already did the shift knob) and a small carbon fiber spoiler.

Wishing everyone a Merry Christmas, Happy Chanukah and a great BMW New Year — Michael

How Do I find Out About the Chapter Events?

We send out email blasts to our membership to keep you informed in between the newsletter. But our members are "opting out" or unsubscribing instead of deleting that Email. At that point, you are also eliminating receiving your newsletter. YOU are going to MISS OUT on the BMW Experience!

Emailing to the chapter members is the preferred and doable medium of information via Constant Contact.. We send out (maybe) two email blasts a month. It is important to keep your email address updated with the National Office on your profile (www.bmwcca.org). That is the data base that is provided to the chapters monthly. You ARE NOT GETTING anything from us if you have opted out or have the wrong email address listed. A one-stop update spot and you are back in the know!

PLEASE keep your email, contact information updated with the National office. Be in the know of all things BMW – so you too can enjoy the BMW Experience.
