Pole Position by President Bobbi Treen

We had a wonderful group of teens & parents at our **Tire Rack Street Survival Teen Driving Program** on March 30. A BIG - LOUD thank you to our TRSS team, our staff & in-car coaches, You are the best, and lots of ground work from Maria & Mark Forbes. They were able to secure the venue – The Miami Dade-College North Campus and provide lots of support for me and our fantastic volunteers. We didn't get the number of teens that we are accustomed to having at our events. Along with proms, and SATs, there was Spring Break. Teaching 16 teens to be better driver is a very good day indeed. Our next TRSS is June 1 at the same location. We will open registration VERY SOON! Or maybe it is when you read this! The course is offered to 16 – 21-year-old (but if you are a little older - we have room – we could take you!). The youngest we can take (legally), 15½ (on the day of the event) and holds a learner's permit for 6 months and completed at least 25 hours of actual driving time, may qualify to attend. Parents can go to the website – FAQ; review the information. The cost is \$95.00. We are all volunteers and much of the funding comes from corporate sponsors and the BMW CCA Foundation. Other car clubs are also a part of the TRSS program, PCA, SCCA, Corvette to name a few. To register go to streetsurvival.org Look for your TRSS Host - Everglades Chapter BMW CCA to register. AND of course, we are always looking for volunteers to help staff the events and instructors - the in-car coaches to teach the teens. If you have any questions, send me an email, I can provide you with information to help you decide. IF you feel that you have what it takes to be an instructor for TRSS, Please go to the website and click on the COACHES link tinyurl.com/y2utvdhn, complete the test to be certified and email your certificate to Tim Beechuk at tim.beechuk@streetsurvival.org. There are no exceptions – you must be TRSS certified instructor to be in the car with a student. We also need help with "shagging the cones!" (a.k.a. returning them to the prior positions before being hit/moved). Bottom line – we need more volunteers to make these events the success they deserve to be.....PLEASE join us. We plan on having two more events in the north end of the chapter by the end of the year (we hope, we plan, we attempt.) We do need some younger blood in the mix. We need YOU! Seriously! If we can get in and out of the cars, WE are going to instruct, give back, and teach the driving skills to keep them alive! That is why we do it! Saving a teen's life, saving your life!

MEMBERSHIP: We have had a huge increase in our membership this past year. I am sure that those numbers are reflective of the new three-year membership plan (no lapse in your membership) to receive your rebate for a new or CPO qualifying BMW purchase/lease from a BMW dealership. So we welcome all of you and have high hopes that you will renew your membership and enjoy the BMW CCA experience and

the wonderful benefits that BMW CCA has to offer. From the BMW purchase rebates to discounts on insurance, IHG, Brooks Brothers, car rental, and many more – of course the friendships are a priceless benefit. As of March 31, Everglades Chapter has 1591 members with 208 Associates and 1383 primary members. We have 22 members that are Life-time members. We thank each of you for joining and renewing.

MY FIRST BMW –your BMW, not mine! We are accepting articles from our members – a story about your first BMW! Send us a few pictures and a short article – let your fellow members know your story! Pick up the pace... it is your newsletter.

Chapter Calendar 2020: WHO sent in a photo of their BMW for our 2020 chapter calendar? Did you? We have some awesome pictures to choose from.... Thank you to our committee for your work on this project. Stayed tuned for updates and availability.

Preference for newsletter: Receiving your newsletter via Email or USPS Mail? A few years ago, we decided to go to the electronic format of your newsletters in order to save money on postage, printing costs and time. Any members that do not provide an email address on their membership profile were left on the US Mail preference list. Our members could go back to their profile and change it to US Mail if they preferred to have a paper copy mailed to them. Last year, for a several months, there was a computer glitch at national and new members did not have a choice, it automatically defaulted to US Mail. And now it is fixed. We feel that an electronic version is better, less costly and better for the environment. It costs the chapter a lot of money to print out and mail the newsletter. It is greatly appreciated that if you do not need or want the paper version – please change your profile preference for the newsletter to Email (and of course keep your Email address current!). The update on the Regional Quarterly newsletter? The Pacific Region Quarterly newsletter (the first to roll out) has been mailed (with the Roundel) but there seems to be a few issues (including the actual cost). It was on the agenda to be discussed at the National BOD held at the end of March. At this time, I have no information for you – sorry.

OUR annual Chillin and Grillin Picnic – Saturday, May 11 at Morikami Park at the Lake Biwa Pavilion in Delray Beach. We have the pavilion all day – setting up around 9:30. Lunch will be served at the noonish hour. You may bring your own adult beverages of beer, wine or champagne. We will have water, ice, lemonade and iced tea. We will have some very cool items for our raffle and for door prizes. Of course, we will accept any donations. Shine your BMW – we will have the People's Choice (open to members and BMWs only) Car Show. We no longer do the Q-Tip-white-glove judging of your car (we could, but we don't) it is all about the members voting for their favorite BMW – vintage or new, it's all up to you! The Picnic is free to all members/associates, a plus 1 guest) and children under 12. We do ask for a small donation of \$10 p/p for guests. Please RSVP with you name and how many will be attending (if any are under 12) EMAIL: rsvpevergladesbmwcca@gmail.com The Museum and Japanese Gardens are open 10am till 5Pm visit website at morikami.org for ticket information if you would like to see the museum.

Safe travels - Bobbi Treen

My First BMW by Jon van Woerden

My Dad was an executive with BMC (Yes the British Motor Corporation) and after spending years with MGs I had a vacation drive in 1972 with my aunt in Switzerland in her new 2002Tii through the Alps and I fell in love with her new BMW.

I had an MGC GT and a 74 VW Scirocco S and a few years later I went to check out an BMW M1 (which obviously I could not afford) but the place had brand new ('82) Gray Market E21 323i so off I went, sold the MGC and the Scirocco and the bimmer was mine.

In 1985 I participated in the Florida chapter's Floridafest a precursor to Oktoberfest 86. It was Yale Rachlin who was my HPDE instructor at Sebring and then I went on to win the Autocross. A year later the car was involved in a small bumper crash and I asked my insurance agent if I could return the car to its Euro bumpers, which were replaced (in Europe) with the US ones when I bought the car. Saving bit of money compared to replacing the bumper shocks, it was a yes.

Without BMW shops repairing my gray market car, I had Rennie at Redline take care of its needs, but also had a deal with Ivan Pato at Motronix's to shoot the Hartge cars and parts that he was a US distributor for, in exchange for getting some awesome Hartge parts. I faithfully drove the 323i until I had needed some engine repairs in '96, but had just spent most of my money on new cameras and lenses, so I asked my neighbor, a local banker ,if she could find me a cheap ride for a few years. She replied that she would and next thing I know she says she found a BMW I might like (something with a letter and number, though she could not remember what it was). She said she could get it cheap and I probably would not have a payment for a few months, so into our studio comes a '88 Cinnabar Red M6 with 42k miles. I took the new ride and parked the 323i in the garage. I believe it is time to pull her out do the repairs and bring my 23 year barn (well garage) find to the 50th O'fest this year. My first and well now my 7th BMW.

How Do I find Out About the Chapter Events?

We send out email blasts to our membership to keep you informed in between the newsletter. But our members are "opting out" or unsubscribing instead of deleting that Email. At that point, you are also eliminating receiving your newsletter. YOU are going to MISS OUT on the BMW Experience!

Emailing to the chapter members is the preferred and doable medium of information via Constant Contact.. We send out (maybe) two email blasts a month. It is important to keep your email address updated with the National Office on your profile (www.bmwcca.org). That is the data base that is provided to the chapters monthly. You ARE NOT GETTING anything from us if you have opted out or have the wrong email address listed. A one-stop update spot and you are back in the know!

PLEASE keep your email, contact information updated with the National office. Be in the know of all things BMW – so you too can enjoy the BMW Experience.
