Pole Position by President Bobbi Treen

We had a fantastic picnic at Morikami Park in Delray Beach. With over 100 attendees (the over part did include a dozen or so kids and a few (very well-behaved) doggies. And I have their paw print on the required waiver. It was cloudy with a few rain sprinkles but no down pours, so it kept the heat off for the day. And not enough rain to seek shelter – but we did have coverage. Our members took home lots of door prizes and a few great memories. The Charity Raffle brought in over \$800. We did have some cool items – if I may say so myself. Bob Morin received the BMW CCA HPDE School certificate donated from the Foundation; he will get to use his HPDE certificate at 2018 O'Fest. Congrats! Peter Shadowen was the lucky winner of our HUGH framed print of BMW Ten Years of BMW Racing – autographed by 20 of the BMW Team drivers... THAT item was in (high demand!) Raul Reyes won the Yard Rolling Cart (complete with Drink cup holders) and Paul Barten won not only the indoor - outdoor Rockin' Speaker but the 50/50 Cash raffle (making a very generous donation of part of his winnings! Congratulations to all and a bigger THANK YOU to all of you that bought tickets and more tickets. You guys are the best!

On June 2, we introduced twenty eager students to the TRSS teen driving program. What a fantastic group of teens. And thanking their parents too, for getting them there on the first day of their summer vacation. And for several – they graduated high school in the past week. I am very grateful for all the wonderful comments and positive feedback we received. I have said it before – the skid pad at IRSC – is challenging, BUT we did it. (with a huge thanks to Mark Forbes for making that happen). THANKS, and JOB WELL DONE to Everglades Chapter TEAM TRSS! If you have an interest in being an instructor for TRSS – you do need to be certified, go to streetsurvival.org and review the program and check out their link "TO BE A TRSS Coach". Perhaps some of you are ready to "give back" and help us out with the TRSS Teen Driving Program. We do need more instructors, and more volunteers – with course layout, getting the cones back in place, etc. We are hopeful to schedule two more TRSS in the Miami area, in the fall. And what we really need is some of the younger members helping us out with these events. IF you are certified TRSS instructor, you do get the email blast from the Foundation when the school opens registration – please feel free to contact us so we know that are joining us or not. Check out our website www.bmwccaeverglades.org/gallery for the latest pictures taken by Jon van Woerden (Of Jon van Woerden Photography).

Our nominations for Chapter officers elections, will begin in October for the 2019-2020 terms for President, VP-Driving Events; Secretary, and Parliamentarian. IF you feel that you have the time and would like to volunteer to be a part of the membership that has all the fun planning, organizing, attending your chapter events and completing the necessary paperwork to meet (& go beyond) the required minimum standards, we have room for you. Seriously we do.

Our membership, is, as of May 31, 2018, at 1367 – (with 202 Associates). We did have twenty-one lapse and twenty-one new members, along with the renewal of fifty members. We are holding strong and doing better than other chapters. There is a membership contest going on; visit the national website (www.bmwcca.org) for details and the GREAT prizes YOU could win. You do get credit (BMW Bucks) and a chance for a special drawing, when your MEMBERSHIP Number is on THEIR application.

O'Fest 2018 – Pittsburgh is July 9-15 celebrating 50 Years of the BMW 2002. Visit the national website for all the information, registration and schedule of events for O'Fest 2018.

Car of Your Dreams Raffle: Buy your tickets on line OR mail the form that you received (USPS). \$25.00 a ticket. Watch for flash "specials" of various gift cards, etc. Members can buy as many tickets as they want for their chance of winning a NEW BMW!

Ft. Lauderdale monthly social meeting is at the Old Heidelberg restaurant – on the FIRST Tuesday of the month (**except July 3 –holiday week**). West Palm Beach monthly social meeting is the THIRD Tuesday of the Month – we are now meeting at the Twin Peaks Restaurant on Palm Beach Lakes Boulevard west of I-95. The rooms are generally ready for 7:00 p.m. and the meetings are at 7:30. We do hope you can make it to one of the monthly meetings.

There are many changes going on within BMW CCA, within the chapters, within the National Board and the staff at the national office. Some of these changes are good and other changes are not so good (*in my humble opinion*); some of them are for the betterment of the membership and a few of them, hmm not so much (again MY Opinion).

There are several cars and coffee events across south Florida. We host one on the second Saturday of the month at Xtreme Action Park (Powerline Road) in Ft Lauderdale. Jon brings the Coffee and the donuts! Visit our website or the Events Calendar on Page 11 – for more information and times....

COMING Soon: The Annual Holiday Party; a few "last minute – let's meet for dinner" Event and /or Ice Cream anyone? or Happy Hour at a Tiki Bar? WE need ideas and we need volunteers to execute the plans. It is your BMW Experience!

—Safe travels to all of you. Make some memories and enjoy all that you have.

Editor's Corner by Michael J Posner

In order to address my oil consumption issues in my 2013 M6, I reached out to Roundel's Mike Miller, Redline, Blackstone and others. The consensus was that I should move to a thicker oil. BMW specs 0w-30 or 5w-30 for the M6, a very light weight oil. This is a change from older M engines that used 10w-60 weight oil. So based on these discussions, I decided to switch to a 5w-40 Liqui Moly Synthetic Oil, which is slightly thicker at high temperature. The theory is that the thicker oil could reduce consumption (which is currently at two quarts every 1300 miles). I also had the existing oil tested but the test, shown below, only revealed one issue, excess silicone, which is most likely attributable to the silicone used to replace one of my valve cover gaskets last January. I will monitor consumption and after 5,000 miles, have the oil changed and retested. Stay tuned.

Do you suffer from knob envy? Do owners of newer BMWs brag to you that their knob is bigger than yours? Well thanks to advances in medical science, (I mean technological) you can have a bigger knob for just \$25 and 5 minutes of your time. Simply visit <https://tinyurl.com/y8nwdg4j>, wait a week, and then install by carefully prying your old knob's plastic center cover off, slip the large knob ring over the old small knob, then peel the adhesive cover off the new knob top and press in place.

How Do I find Out About the Chapter Events?

We send out email blasts to our membership to keep you informed in between the newsletter. But our members are "opting out" or unsubscribing instead of deleting that Email. At that point, you are also eliminating receiving your newsletter. YOU are going to MISS OUT on the BMW Experience!

Emailing to the chapter members is the preferred and doable medium of information via Constant Contact.. We send out (maybe) two email blasts a month. It is important to keep your email address updated with the National Office on your profile (www.bmwcca.org). That is the data base that is provided to the chapters monthly. You ARE NOT GETTING anything from us if you have opted out or have the wrong email address listed. A one-stop update spot and you are back in the know!

PLEASE keep your email, contact information updated with the National office. Be in the know of all things BMW – so you too can enjoy the BMW Experience.
